

Looking for 2027 Committee Members!

Do you have ideas for our Chapter? Do you enjoy collaborating and bringing ideas to life? Do you want to meet more members?

Being part of the Chapter leadership team & committees allows you to do all those things! If you feel well-informed, if you've enjoyed weekly league play, open weekend golf, scheduled events, or if you've won a raffle prize – it's because of our committed volunteers.

We are fortunate to have a team that supports and mentors one another. [We'd love to have you join us!](#)

Currently, the leadership team includes Officers and Directors (President, Treasurer, Secretary, Membership Director, and League Director) – sometimes people hold multiple roles.

Specific Chapter duties are led by Chairs who are supported by a committee – this includes Golf Events, Social Events, Golf Leagues, Golf Education / Handicap, Membership Services, Sponsorship, and Communications.

Director and Officer positions are meant to have limited terms (2 years). This encourages new ideas, prevents individual burnout, and allows more members to get involved.

This year there aren't any roles that are up for election. However, we are looking to fill committee positions. The more people we have on each committee the less time commitment for everyone involved

We have a great community of women. Many of us who have been involved in Chapter Volunteer roles did not know anyone when we joined. However, the friendships and connections we have made, and the lives we have touched, have been amazing rewards for such a minimal contribution. We hope you will join us in sharing that experience.
