Keeping Babies and Children in Mind

**Free virtual workshops series presented by the
Professional Formation Center
for the Early Relational Health Workforce
at Montclair State University
(aka SEFI)**

The **Keeping Babies and Children in Mind (KBCM)** workshops promote awareness about the unique social and emotional development of our youngest children, the importance of reflective caregiving and parenting towards building resilience, and the centrality of forming relationships and social connections in practice.

The '**Keeping Babies and Children in Mind**' online series is comprised of seven, three-hour workshops. **This training meets specific requirements of the newly adopted NJ Association for Infant Mental Health Competency Guidelines & Endorsement System** (www.nj-aimh.org).
