

A Lasting Legacy for Future Clients

We all plan for the future and hope to someday leave a *lasting legacy for our loved ones*. At Pioneer Center for Human Services, we hope to leave a legacy by creating a world where each person is valued and given equal opportunity.

As you consider your planned giving, we invite you to join The Pioneer Center's "*Legacy Society*" by contributing to our Endowment Fund. Your gift will provide pathways to success for individuals with developmental disabilities, individuals with behavioral health needs and those experiencing homelessness in our community.

The *Legacy Society* has a unique purpose for our clients, who are the heart of all we do at Pioneer Center. Its mission is to bring benefactors together and empower support beyond what is possible through annual operating funds. Planned gifts to our Endowment Fund prepare Pioneer Center against future uncertainties. It is a commitment to provide our future participants with the means to live a life of well-being, independence and inclusion.
