

Nicaragua for Educators July 10-19, 2018

Bienvenidos (Welcome) Prospective Travelers:

Here is your opportunity to participate in one of the most exciting adventures of your life as you experience the real Nicaragua.

Your active involvement during this trip will provide learning as well as teaching experience. In preparation for the trip, participants will plan to share activities with Nicaraguan school children and with adults. The warm, friendly Nicaraguans receive workshop training with excitement and enthusiasm.

In addition to sharing your talents and activities with the Nicas, there will be time to enjoy this fabulous country by exploring, discovering special sites of interest, watching traditional dancing, experiencing the markets and meeting with everyday people. We will visit small artisan shops, view beautiful volcanoes and lagoons; reside at accommodating hotels while enjoying distinctive and traditional Nicaraguan food. Travel will be by air-conditioned bus, accompanied by a knowledgeable bilingual guide.

We hope you'll take the bold step and join us; you'll be glad you did!
