Drop off and Packing Days are **generally** the 3rd Thursday of each month, **March - November** starting at **9 AM to 3 PM or until done**

The 3rd Thursday of the month (unless otherwise noted) is dedicated to receiving, packing and sorting donations at the W/NP Wisconsin Warehouse. All are welcome to join in anytime that fits.

Throughout the year, volunteers are on the look-out for helpful resources (***in good condition of course***) that can be shared to help support a variety of international projects. The objective is to provide meaningful volunteer experiences that help improve quality of life, vocational options, income, self-sufficiency and empowerment for people living in Central America.

Thank you for thinking carefully about what is donated. Your help is greatly appreciated by many!!

GUIDE FOR HELPING

Wisconsin/Nicaragua Partners of the Americas (W/NP) has been actively implementing programs in Nicaragua for over 50 years. W/NP brings together volunteers – citizens of both countries getting to know each other, working to find solutions to common problems, leveraging international and local resources, and providing technical training.

Your kind and thoughtful help is appreciated. As you come across items from the lists below, preferably new or good quality clean used, please know our counterparts will put the items to good use.

A financial donation to help with shipping costs is welcome and appreciated.

Examples:

"Sonia is the leader of the Learning Center (LC) Saint Vincent de Paul from Managua. She received sewing supplies and a table. With the materials she is making shorts, blouses and bags. These products are sold in her neighborhood and the funds raised are to be invested in the purchase of new materials and supplies for the LC so they can continue working and being sustainable."

"The reason she joined the LC was to learn different skills and multiply them in her community to help other women. She has had the opportunity to receive three different courses and feels so happy of the fact she is 61 and continues to learn. Thanks to WNP for the supplies donated, greatly appreciate it!"
