Members must register for training sessions in order to receive an email reminder and the link to the recording afterward.

Members may register for each session they are interested in at <https://greektrack.com/training> or by clicking on the register link on your home page in OPAportal. The register link will appear 1 week prior to each session. There will also be a Join Now link that will appear on your OPAportal homepage during each session if you forget to register in advance.
