"Check out our news!"

LIFE IN THE DIS LIBRARY

Lots of excitement has been going on in the DIS library!

All of our students really enjoyed seeing & hearing from well-known author Stuart Gibbs (author of 5 very popular series). His virtual

presentation was quite informative & then students were given the opportunity to ask him questions. All the DIS students & teachers were really excited about his visit & a big THANK YOU goes to our very generous PTO for providing the funding for this wonderful event!

Students who read at least five of the 2020-2021 Bluebonnet nominees will be voting for their favorite soon. The Bluebonnet Award is the only award that's selected exclusively by Texas students in Grades 3-6. I'm very proud of the students who have participated! The 2020-2021 Texas Bluebonnet winner will be announced later in February by the Texas Library Association.

One of our favorite events is coming up very soon! Our Virtual Spring Book Fair will be available online March 1-14. All books & other items will be sent to your home, & Book Fair flyers and more info will be coming in Mail Call & from your child's LA teacher.

Thank you for your support of the DIS library!

Happy Reading!
