

Children's Association for Maximum Potential (CAMP) Camp CAMP Virtual Summer 2020 Questions & Answers

What is a Virtual Summer Camp and why is CAMP hosting it?

In these extraordinary times, we are being challenged to think outside the box...which in this case caused us to dream up all kinds of fun things we can pack inside a box and send to you! Since we can't be with you in person but wanted to stay connected, we found a unique way to bring Camp CAMP to you...online. We recognize this isn't an ideal format for every family and ability level, but until we are able to resume in-person events, we are striving to provide options for our families that keep us all connected.

How is it different from the Virtual Spring videos we've enjoyed?

The virtual summer camp will have multiple activities throughout the day which will be live and interactive. We are excited to see our Campers and interact safely online! The detailed camp activity programming, supplies, and interaction make this camp an exciting opportunity to expand our online programs for our families.

Who can enroll?

Campers of all ages with intellectual or physical disabilities, who have online access for most of the day. Use the Self-Assessment tool in the email for further guidance.

Will a caregiver need to be present during the online sessions or will my Camper be alright on his/her own while sessions are going on?

Only you can answer that for your Camper. Use the Self-Assessment tool in the email to help you gauge the level of supervision/participation that will be needed to help your Camper successfully participate in the virtual CAMP sessions.

Do I have to submit a full application?

There will be a quick online enrollment - our goal is to make this a breeze! The enrollment includes steps throughout the process. You'll answer a few brief questions, complete a Permissions form, and enter Payment Information. *No physical form or comprehensive care information is required!* As you move forward in the enrollment, watch for buttons like this in the bottom-right of your screen (laptop or PC is recommended). [Save and continue](#)

What is the fee to participate? Is there a refund policy?

Please view the Tier Pricing Program link in the email and on our website to view the fee schedule and policy.

Will I be able to use waiver program funding/Respite units to cover costs?

Unfortunately, funding from waiver programs cannot be applied to this Virtual CAMP Week.

What will a virtual camp look like? Will everything be delivered online?

In addition to daily online activities facilitated by CAMP staff, CAMP KITS (Keep In Touch Supplies) will be provided in advance. These will contain CAMP memorabilia for Summer 2020 and supplies needed to participate in planned activities that will be facilitated online. Perishable items may need to be purchased by the family. If there are any additional supplies needed, those items will be outlined in the KITS and a list will be provided via email one week prior to the session. One "CAMP KITS" will be provided with each paid enrollment; however, additional KITS are not available for individual purchase. Each Camper who wants to join the fun and have their own KITS must have a complete enrollment prior to July 3.

During the virtual camp week, how will I know what link(s) to click, and when?

You will receive a reminder email one week prior to the session. During the week, you'll receive daily schedules and links via email every evening prior, so it'll be fresh in your email and ready for the day – no scrolling through pages of emails to find what you need!

Who do I contact for more questions or assistance?

Email us at FamilySupport@campcamp.org and let us know how we can help you!
