Dear Friend,

For 40 years, Crossroads Community, Inc. has been proud to support individuals of all ages with complex mental health needs and disabilities across the mid-shore region. Through our person- and family-centered approach, we empower individuals to reach their full potential, fostering mental health, wellness, and meaningful community engagement.

As we reflect on another year of progress, we are inspired by the milestones our clients have achieved. From securing employment to transitioning to independent living, our work is making a lasting difference. This past fiscal year year, nine individuals transitioned to General Level housing, and seven completed the RRP program, successfully integrating into the community. To provide a closer look at more of these accomplishments, we've included our Annual Report, which highlights the positive strides we've made over the last year.

But we still have much to do. We are asking for your continued support to help us expand our services and reach even more individuals in need. Your generous donation will allow us to:

- Provide recovery outreach, engagement, and support services not covered by insurance
- Enhance training for our dedicated staff, therefore improve quality of care
- Improve our offices, community spaces and homes.

Here are some specific ways your contribution can make a direct impact:

- A $50 gift could cover partial payment for needed health care
- A $100 gift provides new bedding for an incoming resident
- A $500 gift supports driver's education and licensing
- A $1,000 gift funds creative arts or music programming
- A $3,000 gift supports evidence-based practice training for our team

Your support helps our members achieve better health, well-being, and a sense of purpose. Thank you for considering a donation to Crossroads Community. We wish you a joyful and healthy New Year and look forward to partnering with you in 2025 to continue our work of making a difference. Thanks for being a part of the Crossroads Community!

Warm regards and well wishes,

Holly Ireland
Executive Director
