

# Council Centennial Day of Service

Saturday October 7, 2017

By Dewaine Craig  
Council Centennial Committee

Service is a large component of Scouting. The Mount Baker Council is requesting that each Scouting unit select, organize, and complete a Community Service Project on October 7, 2017 in commemoration of the Mount Baker Council being chartered with BSA for 100 years. Your local communities offer much to the Scouting Community. This Day of Service will provide your local community a Thank-you.

## Planning Your Project

Now is the time to begin planning your service project to celebrate 100 consecutive years of the Mount Baker Council charter, and the rich history of service that scouting provides to our local communities.

## Register Your Project

Between August 14, 2017 and September 1, 2017 your Scouting unit will be able to go online and register your project (details to follow). Now is the time for units to discuss which local community service project they may wish to research and adopt as the October 7<sup>th</sup> project.

## In the News

An extensive media guide will be provided to each unit with local media outlet contact information. Each unit will be responsible to contact media outlets in their local areas, inviting them to provide coverage for their local service project.

## A working Checklist

- \_\_\_ Arrange for your Unit to complete a community service project on Saturday October 7, 2017.
- \_\_\_ Register you unit online from August 15<sup>th</sup> to September 1, 2017.
- \_\_\_ Use the Media Guide to contact all of your local media offices.
- \_\_\_ Complete your project, take photos and send them to your local media outlets.
- \_\_\_ Email the Centennial Committee the number of limited edition patches you wish to purchase.

## More Information
