

Snohomish County Parks Centennial Trail Cleanup

Saturday, May 6, 2017

Segments of the Centennial Trail in Snohomish County

Details to follow in the Mountain Echo

A Scout is Helpful: The Snohomish County Parks Department and the Klahaya District are again sponsoring the annual Centennial Trail Cleanup. This activity is open to all Snohomish County Packs, Troops and Crews! This is a very useful and visible service opportunity so please put this on your unit calendar.

All Snohomish County Packs, Troops, Crews, Ships and Posts (including their friends and families) are encouraged to help out. Credit for three hours of community service will be available for participants. Cub Pack participants will be eligible for uniform segments. The work will be at various locations along the southern part of the trail. The work needed is envisioned to be among the following: litter removal, edging, weeding, brush cut back, etc.

Snohomish County Parks & Recreation Forms Required: EVERYONE involved – both youth and adult leaders – will need to submit required forms prior to any volunteer service. The 2016 Volunteer Release Form for all minors and adults and the Service Roster are available from Scouting organizer Marc Bardsley or Ethan Brewer (contact below).

Scouts and youths cannot participate without a release form signed by their parent/guardian. All participants must submit a signed release form before starting service. Please bring your completed forms with you.

More details for sign-up and trail segment allocations will be made available closer to the event.
