

## Summit Bechtel Reserve Debuts Orion Project

Do you know a group of Scouts who would like to visit the Summit Bechtel Reserve in July 2021? If so, we have just opened programming during July 18 to July 31 and have combined some of our best programs to create a new adventure.

The adventure is called the Orion Project. As a 7-day/6-night experience, Orion will include opportunities for BMX, skateboarding, mountain biking, zip lines, canopy tours, challenge courses, climbing, shooting sports, whitewater rafting, fellowship with Scouts from across the nation, and much more. Orion will be open to ALL Scouts BSA youth. It will be held during the following weeks:

Orion I – July 18 to July 24, 2021

Orion II – July 25 to July 31, 2021
