

## Snohomish County Good Scout Breakfast a Great Success

The Good Scout Breakfast held on April 12<sup>th</sup> at the Xfinity Arena was very successful as both a friend and fund raiser for Mount Baker Scouting. Not only did we raise \$80,000 for our Community FOS Campaigns, but an audience of 270 business and community leaders, plus a few Scouts and Scouters, heard how Scouting made a huge positive impact on Mr. Brad Tilden's life and enhanced his ability to excel in his career as President and CEO of Alaska Airlines. Special thanks goes to Breakfast Chair Charlie Elkins, Development VP Tom Eastman and the Breakfast Committee for their hard work. Mr. Elkins' work to attract 10 new aerospace companies was especially noteworthy. Such events have become an important part of our council's effort to build community partnerships.
