

Year-End FOS Giving Helps Our Council to Reach Budget Objectives

As we balance our budget at year-end, unexpected FOS donations are always a blessing. Shown here is HomeStreet Bank's Ryan Walrod presenting a \$500 check to Scout Executive Duane Rhodes.

Do you or your company, service club or other group have the ability and desire to make a year-end donation? Your support would be greatly appreciated. Contact Development Director Michael Hawks at 606fos@scouting.org for more information on supporting local Scouting programs.
