2-23 months boys and girls  
2-5 year old boys and girls

The smallest participants at PTC spend their time at our Small Fry Center. Our Nursery participants will be cared for each day by our Program Counselors and Small Fry Director. They will receive bottles, snacks, diaper changes, and naps as needed or as specified by the parent. They will also participate in play indoors and outdoors as well as crafts at the Small Fry Center.

Ages 2-5 will go to the Craft Center, ride ponies, visit other animals at our Pony Barn, and spend lots of time playing outdoors. They will also have the opportunity to take an afternoon nap, participate in various Philmont-inspired activities that are developmentally appropriate, and enjoy healthy snacks throughout the week.
