

Calling all Webelos!

By 2018 Camp Director
Rich Szymanski

Are you attending camp this summer? Did you know about Webelos Resident Camp at Fire Mountain?

Webelos Resident Camp is an opportunity for Webelos Scouts to come to camp and be introduced to the adventure of Boy Scout Resident Camp.

Boys will be organized into patrols, not dens, and move around camp for their daily activities. We encourage Webelos to attend resident camp with their dens, which requires a minimum of two adults, with a ratio of one adult for every four youth. If a boy wants to attend camp, but his den is not going, he needs to bring at least one parent with him for the duration of camp.

In addition to BBs, archery, and climbing, there will be sessions that focus on some requirements for core and elective adventures. At check out, participants will receive a list of requirements completed during camp.
