# Mount Baker Council Centennial Day of Service

**Saturday October 7, 2017**

**By Hilary Black  
Council Centennial Committee Chair**

In December of 2017, the Mount Baker Council will celebrate 100 continuous years of being chartered by the Boy Scouts of America. The members of your Pack, Troop, Crew, Ship or Post can qualify for a 'limited edition' centennial patch by participating in a unit community service project of your unit's own choice - on this day only.

Please add this special event into your Unit's Program Calendar. Units need to return their registration forms on or before September 1st. The first 5 units to fully register will earn complimentary patches for their Scouts.

**Promotion:** There will be extensive coordinated media coverage of this event, so this is a great time to start thinking about how your unit can have an impactful & visible 'Day of Community Service'. Of course, this effort will be in celebration and honor of the 100 years Tradition of Leadership and Community Service by Scouts in Mount Baker Council.

**Details:** Look for sign up details as we send out the registration forms with media packet via email to all Unit Committee Chairs and Unit Leaders. These will not go out at the monthly leader's Roundtable meetings as formerly announced.

**Gathering stories and photos:** We are seeking stories and photographs of your unit's history, legacy of community service and outstanding leadership during the past century.
