

## EAST SNOHOMISH COUNTY (Serving the communities of Lake Stevens, Snohomish, Monroe, Sultan, Gold Bar, and Index.) GOOD SCOUT LUNCH Thursday, March 21st, 2019

In 1975 Adrian and his family moved to Monroe and opened a new family retail business, the Ben Franklin Store. The Ben Franklin Store has been part of the Monroe community and it's growth for 44 years under Adrian's leadership and direction.

As a family business, Adrian, his wife DeAnna, son Adrian, and daughter Tracy worked together and have enjoyed the fruits of their labor and investment.

Adrian's 44 year community participation included service in the Monroe Chamber of Commerce and Kiwanis. He personally participated in and supported Decca, Monroe Schools, Monroe Fair Days, Boys and Girls Club, many Monroe Churches, 4-H clubs, and a favorite, the Boys Scouts. He openly supported and helped other businesses where he especially enjoyed offering help to a new small business.

Adrian's passion has been teaching and mentoring. He has a proud history of employing students and giving them an opportunity with a first job. He has a large successful alumnus of first job student -employees who have remained lifelong friends.
