Day Camp

We are hosting three Cub Day Camps in the north this summer to give our scouts the chance to have a great Seat Adventure! We have a day camp in Oak Harbor, Ferndale and at Fire Mountain with great teams putting on the program. To help our teams plan for a successful Day Camp please look at what dates work best for you and your family and register as soon as you can. If your family has concerns about making it to day camp, please reach out to your pack leadership or contact a membership of the district leadership team (info above) to see what we can do to help get your family to camp!

Day Camp info: mountbakerbsa.org/cub-scout-day-camp

Membership Webinars

Heroes Start HERE and you can be one of those heroes by being an informed leader about the 2019 membership campaign and our efforts to grow Scouting across the Mount Baker Council. We are hosting two webinars for leaders to learn about our fall Cub Scout campaign and best practices to have a successful back to school event, join night and more.
