

Third Annual “Pull for Scouting” Sporting Clays Classic Was A Great Success

By Gary Hoffman

Our 2017 ***Pull for Scouting*** Chair Gary Hoffman reported that the third annual Sporting Clays Classic was a great success again this year. We made some changes this year by moving the event to the Granite Falls Sportsmen's Club and holding it in the month of August. Our participants enjoyed the new course, the fun shooting games, a great lunch and plenty of prizes and raffle items. We had about 60 shooters this year with eight Scouts who were sponsored by generous donors. The event is projected to net in excess of \$13,000 to help fund our shooting sports programs and meet other council needs.

Special thanks to the generous sponsors who helped meet our event's expenses, including: TruckVault, Inc.; Cabela's; Iron Star Welding; Janicki Industries; The National Shooting Sports Foundation; Lamar Technologies; Pierre Auto Group, Harris Ford and Bill Pierre Chevrolet; The Marysville Riffle Club; Granit Falls Sportsmen's Club; Lynden Shotgun Club; All American Armory; Sportsmen's Warehouse; Holmes Harbor Rod & Gun Club; Bellingham Gun Club; The Black Diamond Gun Club; The Old Skagit Gun Club and the Seattle Skeet & Trap Club.
