

# 2017 Construction City

**Cascade Mall February 4**

**9:00 AM to 2:00 PM**

**Complete Your Engineering Adventure!!!**

**When:** Saturday, February 4, 2017 at 9:00 a.m.

**Where:** Cascade Mall, Burlington, WA

**Who:** All Webelos I and Webelos II Scouts

**Cost:** \$10.00 per participant (Includes materials to complete the projects)

**Activity Stations:** Webelos will begin the day by visiting engineering stations. The scouts will meet engineers, learn about Blueprints and plans, build an electric circuit project, build a catapult project, and other activities. After the stations are completed, each crew will be issued a permit to build a cardboard structure based on their blueprints or plans.

**Construction City:** Webelos will be assembled in crews (dens) of 3 to 5 scouts with a minimum of one adult leader per crew. They will build in a 10' x 10' space. We will provide cardboard, tape and hacksaw blade saws. You can bring construction paper, scissors, washable markers or other items to decorate with. Do not bring duct tape, knives, or permanent markers. There will be a limited time to construct a structure. Dens may discuss and plan designs and decorations prior to the event. The structures will be on display at the mall for everyone to see. Certificates of participation will be awarded.

**Crews:** A crew consists of 3 to 5 Webelos scouts with a minimum of one adult supervisor. The scouts must do all the building and decorating. The adults may advise, coach, and answer questions. Scouts should be in class "A" uniforms. Please bring a lunch or snacks as needed.

**Engineering Adventure Requirements:**

**All the requirements of the Webelos/AOL Engineering Adventure will be offered at this event. Webelos or Leaders can take two of their projects to display at their den and pack. The plans and pictures of their construction city project can be used to display at their den and pack.**
