

HELP – LOST TROOPS

Not really lost, but we would like to hear where they are going to camp and a rough estimate of the number of youth who would be going. Also, if you are having any problems getting organized for camp or need help with leadership, let us know, we can help. Every scout deserves a great summer camp experience.

If you are a part of one of these troops or know someone who is, please ask them to email the information to campdirector@firemtn.org.
