June 22, 2020 - July 5, 2020

Contingent Crew Participant Information

On Monday, June 22, 2020 the Mount Baker Council Philmont Contingent will leave Seattle for a two-week mountain adventure at Philmont Scout Ranch in northern New Mexico.

Tuesday, June 23 will be spent in the Philmont base camp, preparing for the wilderness experience and touring the historical site. Then, on Wednesday, June 24 the crews will head into the mountains. For the next 11 days, the contingent will hike, camp and cook together as they explore Philmont trails. On Saturday, July 4 they will return to Philmont base camp and prepare for their return to Seattle on Sunday, July 5, 2020.

This brochure contains more details on the trip and preparations. Read it. Then send in your own application and deposit so you will be included in the experience of a lifetime.

There are two crews scheduled to go and one is a Venturing Crew open to both girls and boys.

Philmont has many opportunities for adventure.
