

Cub Scout Day Camp in 2017

By Marie White

Camp Theme:

Are you ready for some creepy, crawly fun with your Cub Scout friends! Join the "Cub Scout Bug Hunters" this summer for a day camp filled with fun and discovery! Scouts will spend the week building memories, experiencing cool hands-on STEM activities, and enjoying the outdoors.

Camp Staff:

There's no paid staff at Cub Scout Day Camp and we cannot operate without volunteer leaders. We would love your help and encourage you to sign up as a volunteer when registering your Scout.

Tag-Along Program:

If you have potty trained children that are not yet Cub Scout aged, a Tag-Along program is available for camp volunteers.

Cost:

Regular price of \$105.00 until June 1st then \$125.00. FOS discounts will apply.

***Bee sure you register for
Day Camp 2017!***

If you missed the early Bird turn-in for camp registration last month, have no fear! You can still turn in your Scout's Day Camp registration forms at the Everett or the Bellingham Scout Service Centers.

Camps with room: The Hole in the Sky Camp is full but the camps that still have room include:

Above are photos taken at the 2016 Day Camps and they give the tiniest glimpse at the fun and adventure that Cub Scouts enjoy at Day Camp. Day Camp experience is great training for adult leaders as well, providing the staff members with a wealth of experience and program ideas that will enrich your Pack's annual program!
