

New Council Popcorn Kernel Elected to the Executive Board

By Joni Davidson

It's an honor to be asked to join our Executive Board but I would like our council's Scouters to know a little about me and my family. I joined Scouting with my twin boys in 2011, as they became Tiger Cubs. My first leadership position was that of Pack Committee Secretary for the first 2 years, followed by service as the Chartered Organization Representative and Pack Committee Chair for 3 years. During that time I also served as the Den Leader for my boys' den from Wolf all the way to the Webelos II level. Although my boys bridged into Boy Scouts last year, I am still active in the Pack, serving as the CC / COR and as the Wolf Den Leader. In addition to these roles, I have filled in as the Unit Popcorn Kernel for Pack 66 since 2012. Then the Puget Sound District called and I have served as the Puget Sound District Kernel for the last two years. I also have volunteered at Hole in the Sky Twilight Cub Camp every year since my boys joined Cub Scouts, and have been a Camp Key 3 volunteer (Secretary) for the past 3 years.

Now the Council Leadership has asked me to assume the reins of the annual Scout Popcorn Sale, help our Packs, Troops and Crews raise all the funds they need to fund their challenging outdoor programs! It's a tough position but I believe in the sale's power to help Scouts learn to "pay their own way" as they help fund their Scouting adventures. I will be assisted in this project by former Klahaya District Kernel Elizabeth Coonan and the District Popcorn Teams.

Outside of Scouting, I enjoy camping (in my trailer, with a bed, and indoor plumbing, plus heating and cooling), bike riding, baking, reading, crafts, and watching movies. My boys are now 12 years old and are active in their Troop. And we have another family member named Scooby, who may or may not realize that he is actually a dog.
