It's Time for Action!

2017 marks Mount Baker Council's 100th anniversary, marking continuous years of being chartered by the Boy Scouts of America.

The members of your Pack, Troop, Team, Crew, Ship or Post can qualify for a "limited edition" centennial patch by participating in a unit-sponsored community service project of your unit's own choosing, on this day only - **Saturday, October 7, 2017.**

*The first **five** units to register their service project will receive limited edition patches at **no charge** upon completion of the Day of Service.*

Celebrate this "once in a lifetime" experience and continue the Mount Baker Council tradition of Community Service with your unit's impactful & visible "Day of Community Service". We are counting on all units to contact local media and news outlets to create extensive coverage of this event and have a created media guide to assist you in this task.

Now is the time to finalize your local community Service project for completion on October 7th. Registration closes on September 15th. Register your Unit's project using the link below.

We would love to see any photos of your chosen service project, together with any interesting stories, photos and details of your unit, its legacy of community service, and outstanding leadership during the past century. Please forward this information to the Council Centennial Committee c/o Hilary Black at hilary_black@yahoo.com. Thank you in advance for sharing your treasures!

Please complete your registration no later than September 15, 2017, so that we may order sufficient limited-edition patches for your Unit members.
