

# Provisional Camping

*Sign-up now for your week of summer fun!*

Not able to attend summer camp with your troop? **You** can sign up as a Provisional Camper! A troop registered at camp will host you, welcoming you into their troop and campsite for the week. For information on how to register for Boy Scout summer camp at Fire Mountain, go to <https://www.mountbakerbsa.org/camping/forms/>.

Sign up now! Prices increase after May 15<sup>th</sup>.

*And for 2018...A second week at a discounted price!*

Want a second week at camp for more play, fellowship and merit badges? Mount Baker Council is thrilled to offer a fantastic opportunity for Scouts to attend a **second week of Boy Scout Summer Camp** at a **significant savings**. This is a great option for an SPL to enjoy all the program he missed while leading his own troop through their week at Fire Mountain.

To ensure that Scouts who wish to experience the fun of Summer Camp twice have that opportunity, the Mount Baker Council is now offering a second week at a **discounted fee**. Scouts who have signed up and paid to attend a week at Fire Mountain Summer Camp are eligible to **attend a second week for just \$195.00**.

Scouts wanting to attend a second week of camp should register through our provisional program. The Provisional Camper registration form is available on our council website at <https://www.mountbakerbsa.org/camping/forms/>. At the top of the form, please write "SECOND WEEK" and indicate which other week your troop is attending Fire Mountain Summer Camp. If you have questions, please contact Stacey at the Everett Scout Service Center by calling 425-338-0380.

If your troop is attending later in the season and you have a Scout who would like to attend a second week prior to your troop's reserved week, have them sign up through the provisional program and pay the full fee for the first week. When they come to camp with the troop later in the season we will charge the \$195 second week discount rate.

**This program is only available for Scouts attending Fire Mountain Summer Camp during the summer of 2018.**
