Honoring

### Mike Bickford

Mike Bickford was born and raised in Snohomish. As valedictorian and ASB vice president of Snohomish High School, along with earning the Eagle Scout award, Mike was driven to serve others and produce results from his early years. During high school he worked as a lot attendant at Bickford Ford and then as a sales consultant after graduation. He moved to sales manager and was promoted to general manager in 1997.

Mike has grown the dealership into a well-recognized, trusted and respected brand. Under his leadership, the dealership has received Ford's President Award ten times, a recognition achieved by less than 10% of dealers nationally. Bickford Ford is the top volume Ford Dealer in Washington State and one of the top F-Series truck dealers in the nation. As testament to the dealership's commitment to the community, the dealership also won a legacy award from the Snohomish Chamber of Commerce.

Mike is a member of the National Auto Dealers Association, the Washington State Auto Dealers Association, and served as the President of the Puget Sound Auto Dealers Association. Mike is an active participant in the community. Currently, he serves in a leadership role for the local Boy Scouts of America Council. Mike is a board member of the non-profit community outreach organization Youth for Christ, which helps at-risk youth in the community.
