## Cub Scout Advancement

If the badge was 'almost' earned this past year, take another look in the next couple of weeks. If it looks like the requirements can be met this month, let your Den Leader know. If there are any questions regarding when each rank can be earned, please contact me (Neal Kazmi - [neal@klahaya.org](mailto:neal@klahaya.org)) with an email subject of 'Cub Scout Rank'.

## "Take Five" for Advancement in the Troops

Before going on your next outing, take a quick look at what requirements can be met while you are adventuring. For example, if you need to cook a meal, check with your Patrol Leader or Scoutmaster. Arranging to swap with someone who has already completed the requirement will always be easier a week in advance, rather than on the road. A simple five-minute review of the requirements can get you to the next rank much sooner.

"Take Five!"

**Space for continuing to Eagle**
