NRA Range Safety Officer (RSO)

NRA Range Safety Officer Training

The NRA Range Safety Officer (RSO) program was developed in response to the demand for a nationally recognized range safety officer certification. The Mount Baker Council is offering this course to improve our Council's ability to provide shooting sports programs to our members.

Who should attend?

Anyone 21 years old or older interested in working with Scouts, and others, on the firearms ranges. We, as a Council are working hard to improve the shooting sports program and need the assistance from adults, both inside of scouting and outside, with the enthusiasm to promote the continued safe use of firearms. The RSO class, while not an instructional role on the range, is vital to the safety and direction that is required on all ranges.

For details: Contact Shooting Sports Chair Paul Visocky at mbc.ssc@outlook.com.
