

## A few Summer Camp Staff Openings

By 2018 Camp Director Rich Szymanski

The countdown to summer camp has begun! The program has fresh and exciting updates. The leaders' guide is out and ready for you to download from the council website. Our new camp chef is planning a delicious menu. Things are coming together.

Except - We need you!

Positions are still available for camp staff:

- Trading Post staff
- Outdoors Skills staff
- Pathfinders staff.

Note that if you are 15 and older, these are paid positions. You can enjoy the fun of a summer at camp and earn some cash.

Interested? Please download a staff application from the council website and send it in to the Everett office. You may also contact me at [richard.szymanski@scouting.org](mailto:richard.szymanski@scouting.org)

Hope to see you there!
