

Council Philmont Contingent Trek
June 22, 2020 – July 5, 2020

Ever thought of doing a high adventure trek at Philmont Scout Camp in Cimarron, New Mexico?

Philmont has many opportunities for high adventure. Besides rugged backpacking on some of its over 300 miles of high country trails and climbing one or more of its numerous peaks that tower over 10,000 feet, there are many programs that you will be able to experience. These programs are scattered throughout the nearly 200,000 acres of the ranch and the neighboring land that Philmont uses. It is a wonderful adventure!

The Council's 2019 Contingent Crew has a couple of slots still available for their June 27 – July 10, 2019 Trek.

We are also planning on sending a Council Contingent Crew for a Trek June 22, 2020 – July 5, 2020. Attached is the brochure with more details. If interested, please contact the Everett Service Center at 425-338-0380.
