**What is University of Scouting:** This training program is unlike any other training available to unit leaders throughout the year. Experienced leaders and trainers from across our council are offering more than 60 courses designed to provide you with knowledge of how Scouting works as well as give you true to life examples of how to make the program you provide our youth a positive life experience. You'll know the fun and excitement of a day spent with hundreds of other Scouters as they share their enthusiasm for Scouting

### **For Adult Leaders**

New To Your Position: Receive your basic training in a fun interactive course with other leaders

Experienced Leaders: Network with other leaders, get new ideas, keep up-to-date with program changes, find new ideas for your Unit. Eat lunch and share stories during Scoutmaster Share. You'll find you're not alone in facing those Troop issues and receive tried and true advice on how others have handled similar situations.

### **Parents**

University of Scouting is great for parents too! Learn how you can help your Unit. New to Scouts? Receive great resources on equipment, what to expect from the program, and meet leaders who can answer your questions.

### **Youth**

Several of the courses are available to our Youth members. Looking for information on Den Chiefs? Take Den Chief Training. Have you always wanted to work at camp? Our new If I Were a Staffer course is perfect. Our College of Outdoor Adventure course are great for taking your outdoor experiences to the next level.
