# GOOD SCOUT BREAKFAST

Representative Carolyn Eslick was appointed in 2017 to the 39th District seat.

Carolyn grew up on a farm, learning the value of hard work and commitment to purpose. As a restaurant owner for more than 20 years, she understands the challenges facing employers and employees.

Carolyn served six years as a city council member and more than nine years as the mayor of Sultan. While working in local government, she demonstrated an unwavering commitment to keeping her community safe. Carolyn is dedicated to helping young people reach their full potential. She served on the board of the Boys and Girls Club and works closely with community members to find solutions to teenage drug and alcohol abuse.

Carolyn lives in Sultan with her husband, Chuck Donaldson, a high school shop and agriculture teacher. They have a blended family, with five children and five grandchildren.
