SPRING BRANCH
INDEPENDENT SCHOOL
DISTRICT

July 15, 2019

Dear Cornerstone Academy Supporter,

As we embark upon another exciting school year, **we are asking for your financial support for the students of Cornerstone Academy.** Cornerstone Academy is a unique charter school within SBISD that draws students from across the ENTIRE district. Contributions from the local business community are instrumental in supporting our students in the Cornerstone tradition of academic excellence. Your generosity will assist us in funding classroom resources, unique elective courses and other innovative CSA programming. We ask for these crucial contributions from our community businesses, so that we continue to offer middle school students in Spring Branch ISD new and creative academic programs.

For your sponsorship, you will receive an ad in the CSA directory which is distributed to all families at CSA, giving you exposure in every community within SBISD. Please indicate your desired level of sponsorship using the included form and return it with a check made out to CSA PTA as well as your camera-ready ad by **September 6, 2019** for inclusion in the directory. Please mail to Ashley Michels, CSA Underwriting, 13631 Indian Creek Rd., Houston, TX 77079. You may also scan/email your ad to CSAUnderwriting@gmail.com.

If you have any questions or need further information, please contact me at CSAUnderwriting@gmail.com or (713) 320-0501. Thank you for considering a donation to Cornerstone Academy!
