

ECA Survey

As we head into our 2019 year, it is important that we understand what our members want as a “Return on Investment” for belonging to the ECA. In that spirit, I hope you can take a few short minutes to fill out this survey and send it back to us.

Please circle 1 if you hate the idea, or 5 if you love the idea.

In 2019, I would like to see the ECA offer:

1. One or two mixers where we can get together and just have fun!

1 2 3 4 5 n/a

2. A bit more than 10 years ago, the ECA offered classes to enable both entry level or long-term employees a chance to acquire new skills like Grade Setting, Estimating, Crew Management, etc. I would like to see the ECA bring these classes back!

1 2 3 4 5 n/a

3. I enjoy the Newsletter but would like to see a version of the Newsletter with the everyday worker perspective more central to the messaging. Can the ECA do a weekly Newsletter that we can pass out to our workers for them to gain some perspective on our industry as it pertains to them?

1 2 3 4 5 n/a

4. I think an ECA “MarketPlace” would be a good idea. A list of sellers and buyers looking for equipment or materials that is important to our local firms. Kind of an ECA “Craigslist”.

1 2 3 4 5 n/a

5. Can the ECA organize a “Family Day” event that folks could attend in the Spring that would include games that adults and their kids can do together?

1 2 3 4 5 n/a
