

STAAR Assessment Results

As you know, our students took the STAAR tests earlier this spring. Starting **June 28**, you will now be able to access your child's STAAR results by logging into the Lovejoy ISD [PowerSchool Parent Portal](#).

After logging in, you will see a new icon labeled Texas State Assessment Portal (English or Spanish). This will take you directly to your child's STAAR results, which will include detailed breakdowns in each subject, identifying your child's strengths as well as areas where they may need additional support. You will also see easy to use resources that can be used at home over the remainder of the summer focused on the skills your child needs the most support with.

If this does not take you directly to your student's information, please email nancy_lessner@lovejoyisd.net for further assistance.
