

## Prayer Requests 9/9/2022

### Sympathy to:

- Dick & Lynn Mercer on the loss of Dick's sister Judie

### Praises!

- Pat Morris's sister Joyce Moore was back in hospital for short while but is back at home.
- Loreto Bonvallet, 11-year-old niece of Barbara Moore, was having a rough time at school in Chile. She is doing much better: she is happier and going to church again.

### Updates:

- Warren DeWitt fell and is at Manatee Hospital. He may have a broken hip. His wife Shirley is at Riviera Palms.
- Cathy Stephen's dad, Dale Siprelle has been placed under hospice care since having a stroke and not responding much since then. Please keep the family in your prayers.
