

## **Children's Ministry**

We are so pleased to announce Sunday morning Kids' Hour is open. As expected, we will be taking precautions to provide a safe and caring environment for our kids while protecting our kids and volunteers. Remember to sign your kids in on-line using the church website and use the double doors by the classrooms.

I know this is an awkward time however, we ask that you do not bring a child with any type of illness symptoms including allergies. Our ministry is dependent upon volunteers and we do not want to put them or other families in a precarious situation.

We will continue to give the kids the HeartShaper activities to do at home and record the lessons which can be accessed using [www.parrishumc.com](http://www.parrishumc.com) under the Children's Ministry.
