

Prayer Requests 8/7/2022

Praises!

- Cliff Monk received a pacemaker on 8/1 and is doing well. Prayers for recovery.
- Susie Longpre's back surgery on 7/25 went well. Prayers for recovery.
- Paul Glover's feeding tube has been removed. It has been an 18-month trial, but he is grateful for the journey and the prayers that have got him to this point.
- Joe, a cancer patient, had his 3rd infusion on 8/2 and all went well. His cancer is stabilized. Has been dealing with cancer for 3+ years.
- Little Natalie has recovered from pneumonia & will be able to resume her chemo treatments.
- Jan Olynyk's lumbar MRI was negative. No new fractures.
