08/27/2021

### Sympathy to:

Joan Steele on the death of sister in MA

### Praises:

- Baby Sarah - was facing a follow-up heart surgery and when doctor evaluated her, he declared it a miracle. She is completely healed.
- Patrick Cole - home from the hospital
- Ken Godfrey - (Jon Godfrey's dad) - doing remarkably well after a massive heart attack. Prayers for continued mental clarity and for his heart pump to keep doing its thing in strengthening him for surgery, tentatively about 3 weeks out.
