

9th – 12th Grade Requirements for Summer Reading

Summer Break is just around the corner, and with it comes summer reading assignments. Attached you will find a grade level format of reading selections from which to choose your summer reading novel, non-fiction, or play. Over the summer months, read your chosen selections and return in August prepared to write an essay from a prompt specifically chosen for your grade level. This first assignment will be used to assess, not only your knowledge of the chosen selections, but also your ability to organize your thoughts according to a prompt that addresses specific literary elements. It is your benchmark work for the new school year.

Incoming freshmen may choose two (2) from any of the listed titles, with the exception of those specifically listed for AP Language and Composition and AP Literature and Composition. Sophomores may choose two (2) from the titles for 10th-12th grades; juniors may choose two (2) titles for 11th – 12th grades and seniors may choose two (2) from the titles indicated for 12th grade. Note: should you choose to enroll in an AP English course, (AP Language or AP Literature) or an Honors course and do not complete the summer reading assignments specifically listed for these advanced AP/Honors courses, expect to be re-enrolled in the general English course within the first two weeks of classes.

Reading Selections: You may choose from your grade level selections or a grade higher as you see fit (unless enrolling in an advanced English course).
