November News and Reminders

Pronouns

This is the most important thing I have to say to you all: **you need to respect each other's names and pronouns.** I have sent out contact lists with this info, so please refer to that or ask for people's pronouns if you are unsure. Thank you for keeping each other safe and respected!

Personnel

We are expanding our team and hope to have new teachers very soon. Thank you for your patience while we're on the short-staffed side. I appreciate you all subbing and teaching alone in more emergent situations!

Class Protocol

A couple reminders for class:

- Please do your best to keep clay projects on a smaller scale so they don't break and can be easily stored.
 - Planning sheets should be placed with the most recent in front so that when you open the binder you don't have to flip through to find last week's class.

Fall Events

Please keep in mind the closures of our school: we are closed the week of November 20th for the Thanksgiving holiday and will return on Monday, 11/27.

We also have decided not to do a preschool showcase during winter and will plan for the springtime for this event. Keep an eye out for some exciting training and team building things that we hope to get going with you all!

As always, email me if I can help you! - Emily
