

FAMILY DAY EVENT: May 10, 2019
9:30am-12:00pm
(On the grounds of Gloria Dei)

We are inviting all preschool families to our Family Day Event! Join our staff and all the preschool students for a fun filled event with games, activities, a moon bounce, food and more! Activities will be in the Parking lot and Circle area. Food will be served beginning at 10am.

Please RSVP on the sign up sheet on your classroom's bulletin board. We need to know the number of people who will be attending this Parent/Child Event so that we may plan accordingly.

Please note: Parking will be limited in our main lot. Feel free to park on Packard Avenue and other side streets and walk into the lot.

Our Preschool Summer Camp in June and July is filling nicely. There are some spaces remaining and you can pick up your application in the Preschool Office. We ask that you turn in your camp forms and registration fees A.S.A.P. so that we can be prepared for the number of children who are attending.

FAMILY SURVEYS - SCHOOL EVALUATIONS

If you haven't done so already, please participate in our annual family survey! Each year we ask for your help to evaluate our school. An e-mail was sent with a link to participate.

We use the results of this anonymous survey to improve our classrooms, school procedures and the services we offer for families. We are happy to hear your joys and concerns!
