We want to ensure that these women and girls have the education and information they need to accelerate their economic empowerment. Economic empowerment help women find better paying jobs and increasing their standard of living. For girls, our Dream It, Be It Program puts them on the right track to take action to live empowered lives from poverty, violence and exploitation. Soroptimist are all about “Investing in Dreams”.

Soroptimist governing board provides mentorship and leadership training to its members, assesses the health of its clubs and hosts the annual regional conference.
