Did you know that there are 4 Pillars that are part of Soroptimist International's strategic plan? Here they are: Program, Fundraising, Membership and Public Awareness.

Boys and Girls Club Program

The Boys and Girls Club of the North Valley is celebrating 30 years of helping youth in our local communities. Erin Kennedy, who has worked with the program for 20 years will be coming to tell us all about the Club and the milestone year they are celebrating. SI Chico has been a strong supporter of BGCNV over the years and it will be great to get an update.

“Bring a Friend to Lunch” Club lunch. This is the perfect time for your friends, family, neighbors, etc., to check out Soroptimist and see what we do. We will have our usual club lunch, and have a focus on our mission, our fundraising efforts, and where we share our money. A shareable graphic invitation will be coming via email in the next few weeks, so please look for that. This event is regular club lunch format, so you or your guest will be responsible for the payment of their lunch. For more details, please contact Kathy Erickson or Lisa Fanos.
