News From Committees

This third E-blast of the month will feature a column with updates from our committees. Each committee will have an opportunity to fill us all in on their good work at different times

in our club year. We will be in touch with co-chairs for submissions. Thank you!

News From Comm Comm (Communications Committee)

We are off to a great start with many things happening already. Most exciting is our website revamp is truly underway. We have a new club calendar (see below to check it out and subscribe), a new phone number for people to call and leave a message if they are interested in our club, our roster is getting fancy and our website already looks different. Our social media posts are popping and we've submitted photos to the ER, after just our first week! More to come in the next few months!

Emergency Preparedness Program!

We will have a special presentation about Disaster Preparedness. Emergencies and disasters can strike quickly and without warning as we know too well. Are you prepared?

Let's all be wise and plan for the next "What If" as we learn together. Don't miss this one!

SI Chico Fall Retreat

[Click here for Evite to Retreat!](#)

If you haven't made payment for retreat, please bring your check to the meeting on Wednesday!

Bring a Friend to Lunch Program!

On Wednesday, October 9 (*note the date change), our program will be focused on inviting and orienting potential new members to see what we are all about. We will hear about our President's Project and club mission, service and more. Please text 530-518-4934 or email [Kathy](#) to rsvp in advance for your guests. Thank-you!!

Looking for a Historian/Archivist

We are looking for a member who is interested in continuing to track our club's activities for the sake of posterity. If you like this idea, the Comm Comm group would love to chat with you more about what this would entail. It's an easy job, done from home and so important to our club now and in the future. A great way to make a contribution to SI Chico. Contact [Bonnie](#) or [Laura](#) for more info.

Club Roster Updates!

We are working on a new version of our club roster. It looks terrific and will be very user friendly. Many of us have not updated our photos in some time. If you have a photo or headshot you would like us to use, please send it to [Gail Nottingham](#) (click her name for direct link to email!). We will also be offering to take new photos at club.

Live Your Dream Portal Open til 11/15
