We've Got Diabetes Covered!

Thank you for supporting and participating in the 13th Annual Kudzu Cup Fore! Kids golf tournament. We had an incredible time and hope that you did as well. We had some great golfers out on the course on Monday, many of whom walked away with some bragging rights.

FIRST PLACE: Carlos Gordon, Antonio Daniels, Clarence Harris and Charles Rosseau

SECOND PLACE: Christopher Reihing, Matt Crandall, Travis Seagart and Kevin West

THIRD PLACE: Richard Shirley, Michael Barrett, Brad Cameron and Kevin Moran (Focus Brands Team)

Longest Drive (Hole #9): Paul Brennan

Closest to the Pin (Hole #8): Travis Seagart

This year's tournament was held at Country Club of the South. It raised over \$82,000 to ensure children can attend camp this summer and learn to how to manage T1D.

Special thanks to Scott Richardson, Chair, and David Evans, Co-Chair, and to our event sponsors, Gym Guyz and Zaxby's.

Now that overnight camp is session, we invite you to continue to visit us at www.campkudzu.org and click the photos icon to see the impact you're making on the hundreds of kids at camp.

We look forward to hosting you next year and in the meantime and on behalf of everyone here at Camp Kudzu and the over 700 kids participating in our programs this summer, THANK YOU. Thank you for allowing us the opportunity to change lives.
