

Gather at the River

An EcoFaith Cross-Congregational Gathering: Come one, come all!

Tues Nov 28th, 5:30-7pm

First Congregational Church UCC

500 8th Ave SE, Minneapolis

"Yes, we'll gather at the river, the beautiful, the beautiful river..."

Come learn about environmental justice through the lens of water stewardship and participate in worship along the Mississippi River near St. Anthony Falls. We'll gather at First Congregational Church in St. Anthony Main, and begin with an education opportunity to better understand our waters and how to steward them. Following this time of learning, we'll walk together to the Mississippi River bank for a water-centered liturgy of song, prayer, and reflection. It will be a powerful time to learn and experience ways we can engage water justice in our congregations. Join us in finding connection and restoration amid these the waters of life!
