

Networking Employers Training Professionals Association (NETPA)

Cordially invites all job seekers, students, and mid-career professionals to participate virtually and hear from **Mike Tripp**, Learning Consultant and Facilitator. He is also a Certified Professional Coach (CPC), as well as a nationally certified facilitator for Mental Health First Aid (Adult, Youth and First Responders), ASIST and safeTALK Suicide Intervention.

Mike will present on **Adult/Child Mental Health First Aid (MHFA) Training Opportunities:** MFHA is an introductory course for individuals with little to no experience in assisting those with mental health needs. Participants are introduced to key signs, symptoms, and potential risk factors of basic mental health conditions, along with a 5-step action plan.

Friday, July 15th, 2022 10:00 AM – 11:30 AM Please register for the ZOOM event here:

<https://netpaaz.com/>

NETPA provides a vast resource of education, training, and networking to job seekers, employers and community agencies providing employment information.

Students, community service agencies offering vocational services and their affiliated job seekers are encouraged to attend!
